

Bradley A. Beckett Fund

In Jan of 2003 the Bradley A. Beckett Fund was established by the CHS Board of Directors. Brad was a teacher in Thomaston.

He had been a Trustee, our Historian, and a long-time active member of the Society. He left his large collection of photographs, recordings and extensive writings to us.

The fund has three goals at this time:

- 1- To preserve and archive Brad's work that he left to the CHS.
- 2- To provide financial help to Cushing's high school graduates going on to college or other institutions.
- 3- To provide financial assistance to the Cushing Community School and/or its students.

Each year the Fund has been able to do all of these things, thanks to the generosity of our donors.

The fund relies on yearly donations from members and friends.

You may donate to the Fund on your shop order form by listing it as a separate item.

Checks directed solely to the Fund may be made payable to the Cushing Historical Society, and mailed to:
